

Homework – Week of September 24 to 28, 2012

Name: _____

This planner and all reading logs are always available at <http://homework.thirdgradestars.com>. Having technical issues with the online version? [Contact Mr. Hendricks by email!](#)

Announcements:

- This week's math activity deals with telling time. Time was a large portion of Number Corner last school year. Please review the worksheets with your child to make sure that they are telling time appropriately. Assist them to the correct answers.
- The attached spelling list paper is for you to keep. Do not return it. You can choose how you want to study your words – write them, have someone quiz you, study them online using the links on the homework web site. We see if you have studied by testing you at the end of the school week.
- Math fact practice (called computational fluency) does not need to be returned. We track your progress by giving you math fact tests in class. The activity to record could be *That's a Fact*, flash cards, paper, with a parent, etc.
- Flash cards are on order. They will be distributed as soon as they arrive.
- The online homework web site is <http://homework.thirdgradestars.com>. Bookmark it for future use!

Day	Check when completed.	Written Assignment	Nightly "Must-Do" Assignments (check when completed)	Parent Initials Work is Done
